1. The department may assign a distinguishing number to an all-terrain vehicle when the serial number on the all-terrain vehicle is destroyed or obliterated and issue to the owner a special plate bearing the distinguishing number which shall be affixed to the all-terrain vehicle in a position to be determined by the department. The all-terrain vehicle shall be registered and titled under the distinguishing number in lieu of the former serial number. Every all-terrain vehicle shall have a vehicle identification number assigned and affixed as required by the department.

2. The commission shall adopt, by rule, the procedures for application and for issuance of a vehicle identification number for homebuilt all-terrain vehicles.

3. A person shall not destroy, remove, alter, cover, or deface the manufacturer's vehicle identification number, the plate bearing it, or any vehicle identification number the department assigns to an all-terrain vehicle without the department's permission.

4. A person other than a manufacturer who constructs or rebuilds an all-terrain vehicle for which there is no legible vehicle identification number shall submit to the department an affidavit which describes the all-terrain vehicle. In cooperation with the county recorder, the department shall assign a vehicle identification number to the all-terrain vehicle. The applicant shall permanently affix the vehicle identification number to the all-terrain vehicle in a manner that such alteration, removal, or replacement of the vehicle identification number would be obvious.
